

UKCP Organisational Member/College Agreement Declaration Regarding the UKCP Code of Ethics and Professional Practice

On behalf of the Organisational Member/modality College, I agree to ensure that:

- our organisation's/college's ethics and practice documents are amended to reflect UKCP's Code of Ethics and Professional Practice (2019),
- these amendments are complete by 31 December 2019,
- the new UKCP code and new title are reflected in all OM/college documents and forms,
- the new code is reflected in course curriculum,
- any amendments to our code or documents are communicated to all members of our organisation, and
- our new code will be submitted to UKCP for review if requested.

NB: You could also consider referring to "UKCP's code of ethics document" (ie small c) rather than listing the new title specifically as a way of future-proofing your forms and documents.
